"BUILDING SELF-ESTEEM THROUGH LIFE SKILLS"

A Message from the Founder and President

Dear Friends –

I would like to personally welcome you to the 2022 Corner4Success Charitable Foundation's 16th Annual Awards Gala! This afternoon we are celebrating another successful year of operation as a direct result of your generous support and contributions.

Our Mission statement is "Building Self-Esteem Through Life Skills". Our program is rooted in self-esteem because we believe self-esteem is at the root of our children's future life-success. When children learn things, undertake projects, overcome obstacles, heal from bad experiences, figure out new ways of doing things, and enjoy a measure of success, their self-esteem grows and that is what our life skills program is all about. Through your continued support, we are able to encourage teens to realize they are not their circumstances, but rather, they are their endless possibilities!

In addition to celebrating our longevity, we have the distinct pleasure of bestowing honor upon individuals and organizations that have made a huge impact on our community. Our "Community Stars" this year are: Cindy and Marylou, Lazer Ladies; Gwen Braimoh, Expertise Cosmetology Institute; Taylor Gardner-Chaney, The Garden Foundation; Torrey Russell, Broadway in the Hood; and the Vegas Angels. We also want to thank our wonderful celebrities for donating their time and talent to contribute to this afternoon's success.

On behalf of the Corner4Success Charitable Foundation, I want to thank everyone for your self-sacrificing spirit and your willingness to be a part of the answer.

Continued Success,

Amie J. Greer

Guest Speaker, Hannah Brown

In January of 1945, at the age of six, Hannah's mother relocated from Stamps, Arkansas, to Las Vegas. She attended Westside Grammar School from the second half of my kindergarten year through the seventh (7th) grade. In 1954 she graduated from the eighth (8th) grade at Madison School as class salutatorian, the first (1st) year of its existence.

In 1954, she attended Rancho High School, the first (1st) year it was in existence, where she served as Student Body Secretary. This was the first (1st) year she attended an intergraded school. Rancho was rezoned her sophomore year which placed her at Las Vegas High School through graduation.

As a fifteen (15) year old Hannah was employed as a sales associate by Larry's Music Bar. As a young adult she became manager of the store and remained in that position until she accepted employment with Western Airlines in 1968.

Starting with Western Airlines as a reservations sales agent Hannah progressed with the company to become their 1st African American and female station (location) manager. After Delta Air Lines purchased Western in 1987, she became their 1st as well. After receiving several managerial promotions including Regional Manager/Director with Delta Air Lines she remained in the corporate office for several years.

In 1994, Hannah returned home and started actively working in her community. In 1999, she was elected President of the Urban Chamber of Commerce, a position she held for 8 years. In May of 2004, the Asian, Latin and Urban Chambers hosted a joint luncheon with 890 persons in attendance. In the two years that followed they had two successful luncheons with more than 1,000 in attendance.

In September of 2007, the UCC Board of Directors named Hannah President Emerita in recognition of ten years of service.

In 2009, the UCC created a 501(c)3 which was respectfully named "The Hannah Brown Community Development Corporation".

In 2010, She was successful in gaining approval for a Four Million Dollar grant from the Centennial Committee to refurbish the Historical Westside Grade School which she attended.

In 2010, Olive Crest named their Ladies of Distinction award, the "Thalia Dondero/Hannah Brown Award". October of 2020, the CCSD School Naming Committee voted to name an elementary school her honor. The Hannah Marie Brown Elementary School opened in August 2021.

On March 4, 2021, She was selected by the NSHE Board of Regents to receive the Distinguished Nevadan Award. This is the highest award presented by the Board of Regents.

Gwen Chaney-Braimoh

Through hard work and perseverance, Gwen Chaney-Braimoh's dreams are now a reality. Ms. Braimoh has been a successful entrepreneur for over 33 years. Armed with her Instructor's license and the training experience with Dudley University, Ms. Braimoh was inspired to open a School of Cosmetology in Las Vegas, NV. Her commitment and capabilities were recognized. In 2002, with funding secured and licensing requirements satisfied, Ms. Braimoh co-founded and opened the Expertise School of Beauty, Nevada's first African American Owned School of Cosmetology. Ms. Braimoh was instrumental in the school's success as a training ground was recognized both locally and nationally. The new facility opened in August 2006, and currently conducts the state's only Spanish Language Cosmetology training program. To highlight this advancement, the school changed its name to Expertise Cosmetology Institute, but remains dedicated to "teaching the art of beauty". In 2007, She earned her Master Educator's Certification and conducts Instructor Development training on behalf of the Milady Career Institute throughout the Western United States. In 2014, under the direction and leadership of Ms. Braimoh, Expertise Cosmetology Institute secured funding to construct a beauty a barber college. The expansion of services will allow Expertise Cosmetology Institute to provide additional services to North Las Vegas residents as well as a barbering program to the State of Nevada residents. The newly constructed beauty facility also includes a much-needed child care center for its students. In 2015 Ms. Braimoh was appointed to the Nevada State Board of Cosmetology. In order to meet the ever increasing demands of the community Ms. Braimoh entered into an agreement with the Nevada State Department of Corrections at the FMCC. Expertise Cosmetology continues to change lives one cosmetologist and soon one barber at a time. Ms. Braimoh attributes her success and innovative ideas to achieve empowerment to her spiritual values and her relationship with God. She believes that if you want to make a difference in your life and in the life of others you must believe in your dreams. It is crucial that you align yourself with people who are like minded when it comes to the conviction of serving others.

Fashion Designer, Crystal Ball

Crystal Ball is a Chicago native living in Las Vegas. She is the brilliant mind behind “SoCrystal Designs.” SoCrystal Designs are the creative fashion forward line of free-sized, free-flowing, organic works of art that naturally contour to fit every woman. SoCrystal Designs combine simple elegance that can be worn from the beach to the boardroom with no boundaries when it comes to age or size. They are truly designed for every woman. No zippers! No buttons! No darts! SoCrystal Designs will take your look from casual chic to evening sophisticate.

Crystal started designing clothes in 2002 and was inspired to create her signature style after living in Bermuda for five years. She has always loved fashion and the form of a woman’s body. She loves to see a woman look sexy and sophisticated without showing everything.

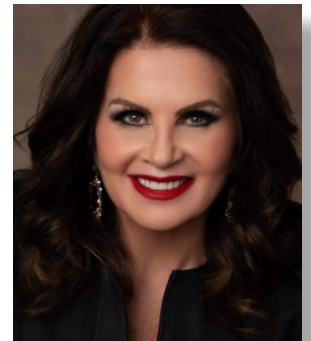

As a young woman, Crystal had a desire to design but she chose to suppress her inclination and pursue a career as a fashion model. As a result, she spent endless hours re-designing almost everything that she wore, and people would constantly ask her where they could buy her look. The more she created, the more people urged her to design. She then took the necessary steps to explore her fashion desire.

Crystal Ball is truly a unique style personified and has a personality that is just as vibrant as her clothes! Crystal’s main ingredient in all she does is “laughter”. She has to have a deep belly laugh once a day! She is truly a force to be reckoned with and the best part is she is a fun person to be around! Her motto is “if it ain’t fun....don’t do it!”

Philanthropist, Leader, Educator, Anna Stewart Billings

Anna Stewart Billings is the general manager of Anne Fontaine Boutique in the Caesar’s Forum Shops. She is a philanthropist, leader, educator, mother, wife and grandmother. She has been in business for over 40 years. She started with her day care center in California and then in England when her children were small. Then she started working in retail sales and found her passion for fashion. While in Texas she became the sales trainer for fashion in one of the leading retail store conglomerates. The regional director from Cache brought her to Las Vegas where she became manager and then recruited to Mondri as sales trainer. She went to work for a high-end Western store and was recruited to David’s Bridal where she was the number 1 sales store in the region and trainer. Anne Fontaine recruited her to build the Las Vegas flagship store and she has exceeded all sales goals with revenue accomplishments, community outreach, building clientele and charitable contributions that outshine any retail establishment in the country. She attributes her success to her mom who taught her how to stay focused, have fun and always said, “ If you want it, go get and if you don’t like it, then change it”.

Music by DJ Lynn

Born and raised in Chicago, notaboiDJ began her journey to becoming a disc jockey in 2018. Now residing in Las Vegas, she took lessons to learn how to DJ at guitar center and easily learned the craft. She was raised by a mother who sings (& currently performs with “V. Holmes A Tribute To The Motown Greats”) and a host of family who sing. As an adolescent, notaboiDJ also sang and played the piano. She has always been musically inclined, which made learning the art of becoming a DJ almost effortless.

Surrounding herself around anything and everyone involving music, gives her many opportunities to perform at different events for various persons. She has an affinity for all music, including but not limited to: Afrobeat, Reggae, Soca, Latin, Reggaeton, Hip-Hop, R&B, Pop and Gospel. And her music selection is open format!

With notaboiDJ’s vivacious, lively, and happy-go-lucky disposition, everyone she collaborates with is always eager to work with her. Driven by a passion for how music can lift anyone’s spirit, notaboidj is definitely a crowd pleaser!
